KRIŽANKA

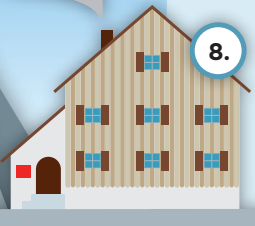

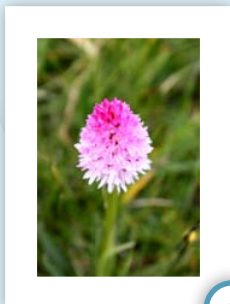

Najboljše od vsega je križarjenje po gorah. Tam se odpirajo lepi razgledi, cvetijo zanimive rože in prebivajo gorske živali. Ker pa ne moremo vsak dan v gore, se nanje lahko spomnimo tudi v dolini. V roke vzemi svinčnik in se loti križ-kraž vzpona po besedah, ki jih poznamo v gorništvu. V skitem geslu pa te čaka sporočilo, ki mu prisluhni in ga čim večkrat uresniči.
